

Classification Change for Publications from the Congressional Oversight Panel

LSCM recently contacted the Congressional Oversight Panel for Economic Stabilization to clarify their official name. Earlier documents issued by the Panel had their name as being the Congressional Oversight Panel for Economic Stabilization. LSCM staff created the Superintendent of Documents classification number based on that name (Y 3.2:EC 7/). Later documents issued by the Panel then began to carry the shortened name (Congressional Oversight Panel), which LSCM interpreted as a name change and thus the class was changed to Y 3.2:OV 2/.

After extensive communications with the Panel, LSCM was able to ascertain that the official name of the Panel is the Congressional Oversight Panel which necessitated a final change in SuDocs class to Y 3.2:C 76/3. The item number has not been changed. LSCM staff has completed the following actions:

- 1)The name authority records have been changed to reflect the official name.
- 2)OCLC and [CGP](#) bibliographic records have been updated to indicate the correct SuDoc classification numbers for all documents received to date, which are listed in the table below.
- 3)This information will also appear in the next update to the [interim WEBTech Notes Excel file](#). These records will not be added to the WEBTech Notes application until the official launch of the application.
